**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please think about future generations. Think about the "people" who are the engine of this country. Don't let them down. We don't need more corruption. We don't need more roadblocks on progress. WE NEED COMPETITION. We need to make this democracy work.

Let our country be great as it once was -- not for the powerful few, but for everyone.

Don't let us sink into a third world economy like Argentina and Venezuela.

I, for one, would be deprived of an internet w/o competition. I am 82 with an income of less than \$1,000./month.

Thank you for your consideration,
